

# GLOBO

*Red blend* 2021

We welcome to this new blend to the VULTUR family. This wine from the Rapel Valley mixes the structure and complexity of Cabernet Sauvignon with the freshness and aromatic intensity of Malbec, the volume and smoothness of Syrah. An entertaining mix where grapes from two Valleys, Cachapoal and Colchagua converge.

The nose is perfumed with aromas of ripe red and black fruits over subtle notes of tobacco and leather. Spice aromas of cinnamon and chocolate notes. In palate is smooth but structured, with silky tannins.
