## Sauvignon blanc 2021

**Fermented in French oak barrels and aged in them for 7 months**  
UNFILTERED

This wine has an elegant and refined nose, with notes of citrus and minerals, which are signature characteristics of this grape variety. You will detect notes of thiols, such as passion fruit, mango and grapefruit. The mouth sensation is well rounded, persistent and balanced, with a rich natural acidity; its saline and somewhat mineral. The production of this wine is extremely limited.
